LEDiL is committed to upholding human rights and ethics in our business, operations, and supply chain. We only source our products and materials from environmentally and socially responsible suppliers that are not associated with crime, armed conflict, or human rights abuses.

Hereby LEDiL is committed to ensuring conflict free sourcing to conflict minerals (tantalum, tungsten, tin, and gold) that do not finance the conflict in the Democratic Republic of Congo ("DRC") and adjoining countries. We expect our suppliers of components containing the above minerals to take similar measures with their suppliers to ensure alignment in the whole supply chain.

On behalf of LEDiL
